WAGGONER'S RUN

MOUNTAIN BIKE TRAIL

- ▶ **Directional Trail**
The trail is to be ridden from Shade road parking lot entrance only. Do not ride the opposite direction.
- ▶ **Bikers and Hikers Only**
Dogs, equestrians, and motorized vehicles are prohibited.
- ▶ **Yield Appropriately**
Hikers should yield to bicyclists. Do your utmost to let your fellow trail users know you're coming. A friendly greeting or bell ring are good methods. Try to anticipate other trail users as you ride around corners. Slow down and exercise courtesy when passing hikers.
- ▶ **Be Aware**
It is the responsibility of every trail user to maintain awareness of their surroundings. Inattention can lead to incidents with other trail users. Please control your speed.
- ▶ **Use Designated Trails Only**
Do not go off trail (even to pass). Stay on designated trail for bikes only.
- ▶ **Competitive Racing is Prohibited**
- ▶ **Come Prepared**
Keep your equipment in good repair and carry necessary supplies. Helmets are highly recommended for bicyclists using this trail.
- ▶ **Leave No Trace**
Practice low-impact hiking and cycling. Riding on a muddy trail damage the trail. It leaves ruts, contributes to erosion, and creates an unrideable, hard to fix trail surface. If you are leaving a visible rut, then the trail is too muddy to ride. Check for possible trail closures and restrictions on our Whitestar Mountain Bike Trail Facebook Page.
