

# Meet the BEEKEEPERS Experience

For our "Meet the Beekeepers" experience, we take you to Bellevue, Ohio to Cherry City Honey Farms where Tami & Gary Wylie, owners and beekeepers, will tell you all about bees and how these amazing little creatures produce honey. (NO LIVE BEES) There will be samplings of their specialty flavored honeys as well as a make and take beeswax candle project!

Cherry City Honey Farms and Apiary is a supplier of local honey to Northwest Ohio and throughout the United States via their online store. Their company name originates from the numerous cherry trees and a large commercial cherry farm that was historically located along their road.

This is one awesome stop and the on-site gift shop has tons of food, beauty and home decor products that are made from their local honey and materials!

**Make & Take  
Beeswax Candle**

**Sample Flavored  
Honey!**
